1714 N McCadden PI #1103

Her window faces McCadden PI, and there are horrible noise from clubgoers. People being bused into Hollywood and they stay around Hollywood after they are out of the club causing a disturbance in the neighborhood. Alberto Avila is the owner but she doesn't have any more information other than that.

She has spoken to VICE who tells her that they have cited them multiple times.

She wants help in order to get them shut down for all of their violations.

2nd issue:

She was complaining about the leaf blowers and power washing around her neighborhood (McCadden and Hollywood). Apparently they start close to 7:50 and she would like them to accommodate and start after 9 am. She mentioned that she takes care of an elderly man who is greatly disturbed by the leaf blowers. I told her I would relay this information over to the BID if they are the ones cleaning.

Your thoughts?

Good morning Capt. Zarcone and Capt. Storaker,

Tomorrow morning at 9:30 AM we will be holding our monthly district walk, and this month we will be in Hollywood. We will be starting at Hollywood Rec Center.

Would it be possible to have a patrol car on site and accompany the Councilmember from approximately 10-11 am? We have had some issues in the past and feel safer if LAPD has a presence.

Please let me know... Thank you!

Captain Zarcone,

Hoping you can help point us in the right direction. Please see below -
LAPD sign at Whitley/Hollywood is blocking the digital pedestrian sign.
LADOT installed it but does not maintain. Do you think LAPD could help get
the sign adjusted?

Happy to help follow up with the appropriate person.

Thanks!

Hi Tim - this sign is covering the time clock on the digital sign. I
was just crossing this intersection and a man on a cane was next to me
and he could not see how much time he had left to cross. Do you think
we can get this fixed? thank you!

It's on the North west corner.

Captain Zarcone,

I wanted to bring this to your attention. We got an email this morning from a constituent whose vehicle was broken into this past Friday in Hollywood, in front of her son's nursery school.

She had difficulty getting in touch with the station and apparently has still not heard from anyone despite multiple tries. So she ended up contacting our office.

Do you think you could have someone get in touch with her?

Thank you!

Subject: GRAND THEFT IN FRONT OF NURSERY SCHOOL

To: councilmember.ofarrell@lacity.org

Dear Sir:

I hope this finds you well. I wanted to alert you to an issue I am having with the Hollywood Police Department. On this past Friday I was picking up my son at Montessori Shir Hashirim in Hollywood - I was parked in the driveway. I ran inside for 3 minutes as I do every day and have done for the past 2 years (and countless other parents who often leave their children in their car). I came back and realized my car would not start because the key was not detected - I looked over and realized I had my bags stolen with over 6k of stuff in it including 3 iPads, money, brand new merchandise from a shopping trip AND most importantly, my wallet with my license in it, my healthcare cards, a card showing I had a heart issue, my sons insurance cards AND all of my keys giving them access to my house and my car in the future.

The head of the school called the police - no one answered for at least 1 hour or so. They answered finally and told her they would not come out for it and to call a different number to which I proceeded to call for several hours - they did not answer. They did not answer the next AM so I finally drove over (my husband had to pick me and my frightened son up from school to take me round trip to Studio City/Valley Village to get my spare key and

get the car) and filed a police report - I told the officer I was most concerned because it was in the driveway of a nursery school meaning if that can happen so can anything else. She did what she could and filed it and told me someone would contact me when the case was assigned. It is now Tuesday and I have not heard from anyone. I have called several times over the weekend to find out if there was a detective assigned as I told them and left messages on Detective Ramirez's machine, there is a clear fingerprint on that side of the car and they can perhaps lift it to see if it matches any records - no response.

I am a New Yorker. I moved out here about 7 years ago. When living in a post 9/11 city I had my wallet stolen once at Bed Bath and Beyond. I called the NYPD and that evening they had two officers at my apartment and I didn't even have evidence! I am baffled by this non response mostly because someone now has my identity and with everything that could happen and all of the governmental complaints about people using other peoples IDs to do awful things and maybe even just cross borders, not to mention again that this happened in a nursery school driveway...this should be addressed - this should HAVE been addressed.

I can be reached at 917-535-5926. I would appreciate a response as soon as possible. You are my last effort to try and get this rectified.

Thanks,
Sarah

Hi all:

Would you be available for a meeting to discuss some of the nightclub issues? Let me know if Thurs 6/11 at 8:30 would work. I can come to the station.

FYI, I spoke with Luminita, the constituent on McCadden regarding Cashmere - she told me she had reached out to Dep. Chief Girmala as well.

Please let me know if Thurs works. Thanks!

LAPD: Could you please see below from Luminita Roman regarding Cashmere Club, reportedly open tonight (Fri 8/7) and tomorrow (Sat 8/8) for a private event. Would a private event be in compliance with their CUP?

JACKIE & ANGY: Could you advise on how I might be able to respond to her demand that CM O'Farrell grant her reasonable accommodation request, and that if CD13 does not grant her request that she will file a complaint with the Department of Justice? I was not aware that a Council Office could grant such a request; please correct me if I am wrong and advise on a response.

Thank you so much,

Mr. Halden,

I was just informed that the Cashmere Club will be open not only tonight, Friday August 7, 2015, but will also be holding a private event from Saturday afternoon, August 8, 2015 through Monday morning, August 10, 2015. This translates in utter hell for us and in special for Mr. Roman who is emotionally disabled.

I have requested from the LAPD as a reasonable accommodation to Mr. Roman's disability for this Club to be shut down, and I am now requesting the same reasonable accommodation request from the Councilman O'Farrell office.

Pleas be advised that failure on the part of the Councilman to grant said reasonable accommodation request, will result in disability discrimination towards Mr. Gabriel L. Roman. If that will be the case you will leave us no choice but to file a disability discrimination complaint against the LAPD and the Councilman's office with the U.S. Department of Justice.

Please advise accordingly.

Very truly yours,
Luminita Roman

Captain Zarcone, Captain Carranza and Jeannie:

A resident in the area asked us why there is no overnight parking on the south side of Hollywood Blvd, b/w Bronson and Gower -- adjacent to the Hollywood Toyota lot:

On a related note, I would like to know why there is no longer overnight parking allowed on Hollywood Blvd. on these blocks, and I hope that all of the temporary tow-away signs that have been up for well over a month for, I assume the parklet construction as well as street maintenance, have come down. This has been another mess as there have been many days with no visible reason for no parking (both sides of the street between Bronson and Gordon).

There are a couple of clubs right across the street; is this public safety-related? Is there any way we could remove these signs so folks can park overnight?

Thanks,

Good afternoon, City family:

As some of you may know, earlier this summer CD13 worked to establish the 6800 block of Hawthorn Avenue (b/w Highland and Orange) as a designated parking area for Tour Buses in Hollywood.

While Hawthorn will of course periodically be used by certain entities for special events, etc., from CD13's perspective it is important to keep this to a bare minimum, as the area is needed for Tour Bus parking, especially in the middle of summer.

There is currently a construction project in the works on Hawthorn, and we were not aware prior to commencement of construction so we are trying to backpedal a bit. While the project is in the works, the Tour Buses have lost their parking area. Also, Hollywood High School is next door and school begins on Monday. So there may be an issue for school bus drop off as well, depending on when the project is completed.

Please notify CD13 of ALL requests to use or close this block of Hawthorn Avenue, prior to issuing any permits.

Please feel free to forward this message to any folks in your respective bureaus or departments whom I may have neglected to include.

Your support is greatly appreciated. Thank you so much for your help!

Best Regards,

FYI, this reportedly happened at Beso/the Comedy store last night.

We are having a large stakeholder meeting next week to discuss the situation on Ivar; SLO Eubank will be representing LAPD.

Could you please keep Hollywood/Ivar on your radar for HED night watch.

Thank you,

I just got this from the Beso people. Their business was targeted this past week with a broken front window now the Comedy store. We've never had a broken window in over 20 years of owning the building. There definitely seems to be some retaliation going on or something?

Captain and Letty,

Could you please let me know when Maggie and Julie's last day(s) as Hollywood SLOs will be. As both the councilman and I have worked with them for many years, we would be honored to get them both a certificate and thank them for their years of service to Hollywood division. We would like to arrange for Mitch to present the certificates to them if it works out.

Thanks!

Hello LAPD team,

I just wanted to confirm that we will have LAPD presence at our Ivar Ave follow up meeting tomorrow. I believe there is some training so I'm not sure who is available. But please advise - we will be reconvening to discuss how things have gone over the past month or so on Ivar.

Thanks again for all your help - from what I hear there has been a lot of improvement.

Please let me know, thanks!

Hello all:

The Hollywood Hills West NC is requesting the hours of Smith Park at Franklin/Sycamore be amended to Sunrise-to-Sunset (as opposed to 5am-10am, which is what it currently is).

We are generally supportive of this request. Would LAPD be willing/able to submit a letter of support for amending this as well?

Please advise, thanks!

ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age

restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

Hi Daniel,

See you then!

Attached is an excerpt of a clip I have on my phone with a saxophone street performer who went unchecked at 3AM last Wednesday morning for approximately 3 hours with multiple 1600 VINE resident complaints. The rest of the clip highlights how loud both the Argyle and the Equestrian Club became around the same time; however, the clip was too long to send in its entirety.

I will also send you a longtime resident complaint regarding the same night and same issue.

Dan,

Attached is a spreadsheet that I put together with a list of dates and overages during the 2014 year (as well as Halloween 2013). I also attached a couple reports as examples of the documentation that the club keeps as to attendance and incidents (it includes the club name, date, age range). I pulled the dates/times/capacities from an SMS backup I performed on my phone in late 2014. The numbers were derived from the box-office staff texting the security managers hourly in-count's to monitor capacity. The one problem with this was that they would text a number that was over our capacity, but the Director of Security or GM would usually then take it upon themselves to over-ride the limit and let more people in. As they stated, as long as the patrons were able to move around the bar area, we would still let people in the building and onto the floor. Most of 2014 (thru May) was during a remodel period as well, which limited our capacity by having different area's cordoned off, thus the capacity issues would be exacerbated.

I also attached the video I received re: the EMT assault at the club recently as well as the email exchange I had with a patron of the club on April 05, 2015.

I included the Halloween capacity as a benchmark – since this date was a Thursday, and the club was 18+, it was quite busy, but I suspect that with Halloween being on Saturday this year, that the counts will be as great or higher. The club also closed at 3:00AM that night, Saturday's are "After-Hours" which will run until about 7 or 8AM this coming Halloween.

Thanks again for your time.

Dennis

Let's do it in the Hollywood community room. Hopefully by then our satellite office will be up and running in Hollywood South. Is LAPD able to reserve the room or should I contact Heather?

Let's do it in the Hollywood community room. Hopefully by then our satellite office will be up and running in Hollywood South. Is LAPD able to reserve the room or should I contact Heather?

Hi everyone,

Could you please keep this situation on your radar. Apparently the valet company along Cahuenga is illegally removing posts and parking vehicles into the EaCa Alley.

See attached photo.

Could you please keep this on your patrol route for evenings and check up on this. I warned the valet operator and watched him fix everything but I want to make sure it doesn't happen again.

Thanks!

Good morning Captain Zarccone and Captain Pape,

As you may know, on Sunday November 15th at 1:00 PM, the intersection of Hollywood/Highland will be upgraded to a "scramble" (diagonal) crosswalk. This new feature will separate pedestrian crossings from vehicular crossings, and allow pedestrians to cross in all directions all at once, including diagonally.

LADOT Traffic Control Officers will be deployed to the intersection to help direct traffic and pedestrians at the following dates/times:

Sunday 11/15 from 1000 - 1800 hrs

Monday 11/16 from 0700 - 2000 hrs

After that, we were hoping that LAPD Hollywood and/or West Traffic personnel may be available to help monitor the intersection and/or direct traffic/pedestrians as need be, to help folks get adjusted to the new setup. Even if personnel is only available at peak times (i.e. evenings and/or weekends), that would be extremely appreciated.

Please let me know if this is something that LAPD may be able to assist with, and also let me know if you have any questions.

Thank you,

Captain Zarcone and team:

We are working on a Public Records Act request related to nightclubs, but I wanted to check with you before turning over the information.

The attached documents from LAPD (crime/arrest reports, etc) are related to Cashmere nightclub. I believe these are confidential and should not be released to the public, but could you please advise?

Thanks,

Yesterday afternoon, and last Thursday, police conducted some kind of action, she says police were armed with rifles, one with a blow-horn, she's concerned that the school was unaware of this action, and would like some info about the events. Her son attends the CWC Charter school on Carlton Way, and she actually follows Mitch on Instagram.

She said she also left a Officer Sevdalian a VM.
